

Cookie	Type	Purpose
age_confirmed	Operational	It is used to allow the user access to the website after age self-declaration
cookies_selected	Operational	Used to know if user confirmed accepting cookies
dw_migrated	Operational	Flag migration of cookies from old-to-new
promo_toolbar	Operational	Defines whether the login-toolbar should be displayed
siteLang	Operational	Sets the language of the site presented to the user
siteMatKey	Operational	Used to identify the session of the user
_dc_gtm_UA-69424936-82	Operational	This cookie is associated with sites using Google Tag Manager to load other scripts and code into a page. Where it is used it may be regarded as Strictly Necessary as without it, other scripts may not function correctly. The end of the name is a unique number which is also an identifier for an associated Google Analytics account.
iqosrw-_ga	Performance	This cookie name is associated with Google Universal Analytics. This cookie is used to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the sites analytics reports.
dw_Technical_cookie	Performance	Technical Opt-in (GA) cookie selection
_ga	Performance	Used to distinguish users thanks to a randomly generated identifier (combination of a timestamp and random number)
_gid	Performance	Used to group a set of user interactions together to define a session, thanks to a randomly generated identifier (combination of a timestamp and random number)
_gcl_au	Performance	Contains campaign related information for a user. It takes information in ad clicks and stores it in this cookie so that website conversions can be attributed outside the landing page.
sc.ASP.NET_SESSIONID	Performance	This cookie name is associated with the SessionCam web analytics application from ServiceTick.
sc.Status	Performance	This cookie is set by SessionCam to store information regarding mouse behavior while on the site, as well as interactions with any forms that may be available. This information is then used for statistical reporting to improve the website.

kppid	Targeting/Advertising	This cookie carries out information about how the end user uses the website and any advertising that the end user may have seen before visiting the said website.
dw_Advertisement_cookie	Targeting/Advertising	Remembers the user preferences for Tracking/Advertising cookies.
